

PRESIDENT: Senator Barnett.

SENATOR BARNETT: Mr. President, that ends Article 7 for today and then tomorrow, I understand, we will have the death penalty. So the next article we will be taking up will be Article 8 and we will start on that Thursday. Thank you.

PRESIDENT: Senator Lewis, for what purpose do you arise.

SENATOR F. LEWIS: I have a question. How many articles are in this thing?

SENATOR BARNETT: Thirteen.

SENATOR F. LEWIS: We are at seven.

SENATOR BARNETT: We are almost done. We are at eight.

SENATOR F. LEWIS: Promise, promise, promise.

CLERK: Mr. President, there will be a series of reports of the Rules Committee inserted in the Journal. (See pages 1134-1136.)

PRESIDENT: We have in the South balcony 12 high school seniors from Senator Burrows District. This is from the Class B championship city of the State of Nebraska, from Adams. Thank you for being with us this morning. We have already passed your resolution, Adams, so we don't have to do that again. We go to Resolution, LR 34.

CLERK: LR 34 on page 930 of the Legislative Journal.

PRESIDENT: Senator Kremer.

SENATOR KREMER: I am sorry, I am going to have to ask you to pass over LR 34 because the appropriation bill that has to go along with it to explain the intent of the resolution is not ready. We thought it would be. So I am asking unanimous consent to pass over for this morning.

PRESIDENT: All right. To any particular date?

SENATOR KREMER: Until tomorrow.

PRESIDENT: All right. Mr. Speaker, will this be put on the agenda. There is no more action necessary. Thank you, Senator Kremer. We go to Select File. Senator Keyes, we will take up LB 353.

CLERK: Mr. President, LB 353, it was returned for a specific amendment, to provide an operative date of July 1. Signed Senator Keyes.

SENATOR KEYES: Mr. Speaker.

PRESIDENT: Just a moment, Senator Keyes. Could we have more order. Senator Keyes is now discussing the specific amendment. You voted to return it. So action could be taken. Could we have more order for that purpose.
